From (Name) The Hon'ble Mr.S.Co.

(Designation) ChiefConservator of Forests

To The Secretary to Government,
Revenue(Special) Department.

Sir,

I have the honour to forward herewith for approval of Government a second revised estimate for Rs.16,930/ received from the Superintending Engineer, IV Circle, for the construction of the District Forest Office, at Kollegal Coimbatore District. The first revised estimate for Rs. 15,150 was sanctioned in G.O.No.750 W. dated 21-6-1918.

2. The increase of Rs.1780/ over the first revised

revised estimate is explained by the Superintending Engineer IV Circle as due to the rise in price of teak purchased departmentally, the Contractor having failed to supply at the rates fixed early in 1918 and to the fact that walls all round the clerks and District Forest Officer's office room, were not provided for in the origin estimate by some oversight.

3. As will be seen from the report accompanying the present estimate the work is in progress. ¶3 supra

I have the honour to be,

Sir,

Your most obedient servant,

for Chief Conservator. 5/9/20

The 1st revised estimate was based on rates prevalent early in 1918 for teak wood which was considerably exceeded as the rates rose rapidly and the contractor failed to supply. Departmental sawings of log was tried finally also purchase of scantling from West Coast in both cases the rate is much higher, and the average actuals are provided

A draft order is submitted
20.9.20 2. It is for consideration whether the S.C should be asked to see if the Contractor cannot be made to pay a portion of the excess cost mentioned in para 1 of the report on p. 3 C/f.

Presumably a piece work agreement was taken; in which case the Contractor cannot be held liable for the loss involved in his failure to supply the teak wood required. Issues on this item

& Rs 125-2 and q- a total excess of Rs 1780

I do not see how we can make a recovery from the Contractor →
